Carmel School values the partnership we have with our parents and community in bringing

- On excursions, when helping in class or on camps, parents must follow the instructions and directions of the teacher. A parent may remind students of the rules but at no time may they issue consequences. Please refer the students to the teacher if behaviour needs further correcting
- Assist the School with its goal of encouraging an inclusive community by facilitating an inclusive approach to ~~out~~ off-school events

It is important to note that criticism regarding a staff member will only be heard if it is related to their professional conduct.

Vexatious complaints, deliberate breaches and inability to respect and adhere to the Parent Code of Conduct may result in the exclusion of a parent/caregiver from ~~campus~~ campus and/or possible termination of their children's enrolment

If your complaint relates to ~~sexual~~ sexual abuse by a staff member towards a child in either historical or current matter you should, in the first instance, contact the police.
